## Carers Identity Passport

Are you looking after someone?

Get your free Carers Identity Passport. For unpaid Carers of all ages in Norfolk and Waveney.

Be recognised, valued and respected in your caring role. Unpaid Carers have told us they want to be identified in healthcare settings. We have co-produced a Carers Identity Passport to ensure Carers of all ages, including Young Carers and Parent Carers, in Norfolk & Waveney are recognised. **The Carers Identity Passport is for identification only.** It is a conversation starter between healthcare staff, Carers and the people they are caring for. The Carers Identity Passport is available digitally and/or as a physical card and lanyard.

To request a Carers Identity Passport please visit:
